SHUTS! SHUTS! SHUTS!!
THE subscribers would call the attention of Builders to their new, durable and cheap Shutter, which they are now putting up in this city. The Shutter is made of Pine Boards, which are dressed and matched, and then grooved on the back side, and a strip of tin put in the groove, which prevents the shutter from warping. The Shutter is then painted, and when closed, the tin comes in contact with the rabbet of the window frame, and makes a perfect fit. The Shutter is then hung with Parker's Patent Shutter Hinge, which is the best hinge in use. The Shutter is then fastened with Parker's Patent Shutter Fastener, which is the best fastener in use. These Shutters are made expressly for this climate, and are warranted to be perfectly secure against the weather. They are also cheaper than any other Shutter in use. Persons wishing to put up Shutters will find it to their interest to call and examine them before purchasing elsewhere. Shop on Water street, between Wells and Franklin.

DENTISTRY.
DR. C. H. QUINLAN has this day associated with him in the practice of Dentistry, his brother, Dr. John D. Quinlan, who has had the most extensive practice in Western New York, and is well known throughout the State.
Dr. C. H. Quinlan has also associated with him Dr. Harvey of Buffalo, and will continue the practice of Dentistry at Buffalo, Rochester, Auburn and New York. By this arrangement, Dr. C. H. Quinlan will be enabled to devote his entire attention to the Chicago Branch of Professional Business, and they can be confident in the correctness of the operations in this department of their practice.
The latest method that many have experimented for the past year is being introduced to Chicago, and will be practiced by this Company. Any one wishing to have their teeth filled with Gold, can have their work done at short notice.
Those who have had their teeth filled before but too fast gold, the new Operating Room and Laboratory, and the Dr. himself in attendance, will find it to their interest to call. Those who have had their teeth filled by others, will be happy to call and have them examined, which will be done free of charge, and if any defect is found, will be filled in a workmanlike manner, and warranted.
We are also prepared to insert sets of Teeth in the new Gum, on Platinum Plates, and fitted with the Mineral that cannot be distinguished from the natural Gum.
Office and Residence, 91 Clark street, opposite the new Court House. oct18

FREEDOM FROM COUGH IN TEN MINUTES.—When this announcement appeared in our advertising columns accompanied by proofs only twenty-five cents per box, we naturally supposed the remedy to have extraordinary merit, or a rather modest. No surplus, boasterous, &c., about it, but what prevailed, we thought perhaps render our readers a little more curious than usual, and induce them to give it a trial. We have tried it, and find it to be all that is claimed for it, and that everything else is not worthless.—N. Y. Tribune.
